

## Popsicle Stick S' mores

### Supplies:

- Jumbo popsicle sticks (9)
- Small paper plate (1)
- White/black/pink craft paint or markers
- Craft paint brushes if using paint
- Light brown/dark brown cardstock
- White glue or glue stick
- Kid-friendly craft scissors

### Instructions:

- Assemble the base of your s' more friend by gluing your popsicle sticks together to look like a fence (7 popsicle sticks next to each other and two across the back).
- Set it aside to let it dry completely.
- After it has dried, grab your paint and paint brush or markers, and popsicle stick base.
- Have children paint or color the front of it completely white (the marshmallow) while you cut out some "graham crackers and chocolate" from the cardstock.
- To finish off the craft, have children glue the cardstock pieces to the popsicle stick design, along with drawing on a face with the remaining paint.
- Then let it dry completely before displaying proudly!

## Tin Can Lanterns

### Supplies:

- Tin cans (that have been cleaned and don't have sharp edges)
- Permanent marker
- Hammer and nail
- Protective eye gear
- Tea light, votive or electric candles

### Instructions:

- Have kids design their lanterns by drawing or making dots with a marker on the outside of the cans.
- Once the design is ready, assist them with using a nail and hammer to poke holes through the can.
- Once it gets dark, place the candle of your choice inside the tin lanterns and watch them glow.

## Paper Campfire

### Supplies:

- Long sticks for "roasting" marshmallows
- 5 to 8 toilet paper or paper towel rolls
- Double-sided tape (or regular)
- A brown or black marker
- Tissue paper in campfire colors

### Instructions:

- With a brown or black marker, draw lines on your toilet paper or paper towel rolls to make them look like logs.
- Cut the colored tissue paper into different shapes to build your flames.
- Tape the logs together to form a cone or lay them flat in a circle.
- Tape the tissue paper flames on top of your logs and enjoy your paper fire!

## Popsicle Stick Tent

### Supplies:

- Jumbo popsicle sticks (3 per tent)
- White glue or glue sticks
- Colored cardstock (your choice of colors)
- Craft paint or markers (your choice of colors)
- Paint brushes if you decide to paint
- Kid friendly craft scissors

### Instructions:

- Glue three popsicle sticks (3 per tent) together to look like a triangle (as pictured above).
- Set the popsicle sticks aside to dry completely. Repeat for each tent you are making.
- While the popsicle sticks are drying, grab your cardstock and cut a triangular shape to fit within the popsicle sticks as the "fabric" of the tent. Then cut out a piece for the tent opening, and pieces for a small campfire.
- Have the children paint or color their popsicle stick design however they would like.
- Glue the paper pieces in place and add any other embellishments.
- Once done, set aside to let it dry completely before displaying proudly!
